## **INTRODUCTION**

**LASALLIANA** is an Institute publication of the Brothers of the Christian Schools.

It contains articles providing information and research, and stimulating reflection  
about topics of interest to Brothers  
for lay teachers who work with the Brothers  
and for those belonging to the Lasallian Family who wish to know the Institute better.

**LASALLIANA** welcomes contributions from members of our Lasallian Family.

Articles come from all over the world.

They are intended to help readers know and understand the present-day situation  
of the Institute with its rich diversity of persons, countries, cultures, thinking and experiences.

**LASALLIANA** seeks

to reach all Brothers' communities  
all Lasallian educational establishments.

Would like to be available in all our reading rooms and places where meetings take place.

Would like many of its articles to provide material for reading and for personal and community reflection.

**LASALLIANA** publishes

studies on the Founder, his times, his life, his writings, his spirituality, his achievements...

on the Institute, its history, its evolution, its commitments, its members...

material for reflection on the educational apostolate,

on how it is exercised, its demands, the different forms of involvement...

on the educational process, on pedagogy, on advances in education...;

describes the work being done by the Institute, celebrations, events, etc.

**LASALLIANA** reaches

communities, Lasallian establishments and other persons and organisations linked to the Institute,  
through the Brother Visitor of each District,  
who orders, receives and distributes copies.

**LASALLIANA** is published in English, French and Spanish.

Back copies can be requested.

These will be provided while stocks last (certain issues are no longer available).
