INTRODUCTION

● With the the present issue, the 23rd, LASALLIANA begins its **fourth year of existence** (stage 2). The number of readers is growing with the increase in orders for our publication. The number of our contributors is increasing also: numerous and excellent articles are reaching us from all over the world. They will all be published, and we are grateful for the interest shown by all those who wish to share their ideas, their thinking, their research and their concerns with the other members of the Lasallian Family.

● The **Bibliographia lasalliana** booklet which is included in each issue of Lasalliana is also very much appreciated. Booklet N° 8 was included with issue N° 22. It gave a list of educational books published by the Brothers in Colombia.

Several Districts have decided to follow their example and are preparing a list of their own publications. These will be published in time.

● Starting with this year, we will be offering something extra to readers of Lasalliana. Each year, subscribers will receive a **special issue free**. This means that there will continue to be three normal issues a year to which will be added a fourth, unnumbered, which will normally be devoted to a single topic. We are able to do this at no extra cost to readers because the number of subscriptions from Districts has been steadily rising.

The 1992 special issue is enclosed with the present issue of Lasalliana, the 23rd. It contains the pictures of our Brothers who have been canonised, beatified, or whose causes are at present under consideration. On the back of each picture is a short biography of the Brother concerned. We have arranged things so that pictures can be framed.

● **Subscriptions to Lasalliana are usually arranged through the District.** We receive many orders from communities, schools and even individuals who wish to receive Lasalliana directly. Except in special cases, would-be subscribers are asked to contact their Visitor who will be happy to adjust the number of copies needed by his District each time the need arises.
