FOREWORD

- This is number 28 of Lasalliana, the last for 1993, a year which has seen the publication of numbers 26, 27, 28, as well as a general index to the first 25 issues.
- Three issues are scheduled for 1994, n° 29, 30 and 31, the second of which will be an extraordinary one; a monograph giving the "chronology of St. John Baptist de La Salle".
- Many thanks to all our contributors to Lasalliana, who prove that there is quite some interest in the magazine. At least it is one way of sharing ideas and information.
Do not forget that the leaflets of Lasalliana are available to members of the Lasallian Family, no matter where you live. Moreover, if you want to share thoughts and experiences, whether you are a Brother or a Lay Person, do not hesitate to send in your articles.
- Lasalliana is usually distributed via the Districts. Only exceptionally are private subscriptions considered. Therefore those who want copies are asked to contact Brother Visitor or Brother President of the Delegation, who will see that you receive your copy.
- We suggest that one very effective way of sharing who we are and what we stand for, especially with those who work in the same kind of mission, is to invite them to read and even study Lasalliana. At least that is one of the purposes of our publication. In fact this is precisely what is happening in various places. I hope and expect that their example will catch on and grow.

Best wishes to you in De La Salle.

Brother José María Valladolid,
Director of LASALLIANA
