

N° 40
3 / 1996-97

INTRODUCTION

- This current issue of LASALLIANA is the third and final one for the September 1996 - August 1997 period.

Keeping in mind that in preparation for the Jubilee Year of 2000 this year has been devoted to Jesus Christ, several articles have been published to help in the reflection of this topic.

Four articles, each of which forms part of a whole, deal with following Jesus Christ as Lasallians, with a summary and a discussion which is particularly rich in the Founder's thought on this theme. The author is Brother Antonio Botana and this work is part of a more extensive study undertaken for Lasallian Themes, Number 3.

But there is also another article that serves to give many suggestions concerning a catechesis of Ecumenism, also in line with the year of preparation for the Jubilee, and this was done by Brother Jeffrey Gros.

- A special issue of LASALLIANA is in preparation in which there will be an index of the Circulars and Pastoral Letters published by Superior Generals since publication began.

Given the extent of such an undertaking, it will be published as an extraordinary issue and it will be included in the September 1996 - August 1998 period, and so it will span that two year period.

The Indices will be grouped in numerical order as well as by author and date. This will be accompanied by another extensive index of materials.

This will be of particular use to those studying Lasallian topics and it will also serve as a point of reference for many Lasallian events throughout the history of our Institute.

- Although contributions for LASALLIANA continue to arrive on a regular basis and the quantity of these sometimes creates the necessity to delay their publication, we would again like to affirm that all topics dealing with a Lasallian theme are solicited.

We especially recommend that our lay colleagues become familiar with LASALLIANA and that they be encouraged to make their own contribution. This would indeed be evidence of the reality that makes up our Lasallian Family.
